### **British Beer Export Strategy 2017 - 2022**

Outside the EU, more beer is sent to the USA (12 million hectolitres) than to all non-EU nations combined However, there are many markets that are in significant growth Most of all China which in 2016 saw 500% growth by volume China is now the second largest non-EU market (and sixth largest overall!) On top of this, there was also significant growth in India, Israel, Russia and Norway to
