Of Water and the Spirit Feb 20 2022 Maliodoma Patrice Some was born in a Dagara Village, however he was soon to be abducted to a Jesuit school, where he remained for the next fifteen years, being harshly indoctrinated into European ways of thought and worship. The story tells of his return to his people, his hard initiation back into those people, which lead to his desire to convey their knowledge to the world. Of Water and the Spirit is the result of that desire; it is a sharing of living African traditions, offered in compassion for those struggling with our contemporary crisis of the spirit.

Congressional Record Dec 06 2020 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The Poet-Hero in the Work of Byron and Shelley Nov 24 2019 Byron's and Shelley's experimentation with the possibilities and pitfalls of poetic heroism unites their work. The Poet-Hero in the Work of Byron and Shelley traces the evolution of the poet-hero in the work of both poets, revealing that the struggle to find words adequate to the poet's imaginative vision and historical circumstance is their central poetic achievement. Madeleine Callaghan explores the different types of poetic heroism that evolve in Byron's and Shelley's poetry and drama. Both poets experiment with, challenge and embrace a variety of poetic forms and genres, and this book discusses such generic exploration in the light of their developing versions of the poet-hero. The heroism of the poet, as an idea, an ideal and an illusion, undergoes many different incarnations and definitions as both poets shape distinctive and changing conceptions of the hero throughout their careers.

United States Practice in International Law: Volume 1, 1999-2001 Jul 13 2021 Sean D. Murphy's wide-ranging and in-depth 2002 survey of U.S. practice in international law in the period 1999-2001 draws upon the statements and actions of the executive, legislative and judicial branches of the U.S. government to examine its involvement across a range of areas. These areas include diplomatic and consular relations, jurisdiction and immunities, state responsibility and liability, international organizations, international economic law, human rights, and international criminal law. At the time of its first publication this summary of the most salient issues was a central resource on U.S. practice in international law. The volume contains extracts from hard-to-find documents, generous citations to relevant sources, tables of cases and treaties, and a detailed index. Revealing international law in the making, this essential tool for researchers and practitioners was the first in a series of books capturing the international law practice of a global player.

Speak No Evil Jun 12 2021 Winner of the American Library Association's Barbara Gittings Literature Award | An Indie Next Pick | A Barnes and Noble Best Book of the Month | A Library Journal Best Book of the Year "A lovely slender volume that packs in entire worlds with complete mastery. Speak No Evil explains so much about our times and yet is never anything less than a scintillating, page-turning read."—Gary Shteyngart "A wrenching, tightly woven story about many kinds of love and many kinds of violence. Speak No Evil probes deeply but also with compassion the cruelties of a loving home. Iweala's characters confront you in close-up, as viscerally, bodily alive as any in contemporary fiction."—Larissa MacFarquhar In the long-anticipated novel from the author of the critically acclaimed Beasts of No Nation, a revelation shared between two privileged teenagers from very different backgrounds sets off a chain of events with devastating consequences. On the surface, Niru leads a charmed life. Raised by two attentive parents in Washington, D.C., he's a top student and a track star at his prestigious private high school. Bound for Harvard in the fall, his prospects are bright. But Niru has a painful secret: he is queer—an abominable sin to his conservative Nigerian parents. No one knows except Meredith, his best friend, the daughter of prominent Washington insiders—and the one person who seems not to judge him. When his father accidentally discovers Niru is gay, the fallout is brutal and swift. Coping with troubles of her own, however, Meredith finds that she has little left emotionally to offer him. As the two friends struggle to reconcile their desires against the expectations and institutions that seek to define them, they find themselves speeding toward a future more violent and senseless than they can imagine. Neither will escape unscathed. In the tradition of Junot Diaz's The Brief Wondrous Life of Oscar Wao and Chimamanda Ngozi Adichie's Americanah, Speak No Evil explores what it means to be different in a fundamentally conformist society and how that difference plays out in our inner and outer struggles. It is a novel about the power of words and self-identification, about who gets to speak and who has the power to speak for other people. As heart-wrenching and timely as his breakout debut, Beasts of No Nation, Uzodinma Iweala's second novel cuts to the core of our humanity and leaves us reeling in its wake. Liberating the Eagle Within Oct 24 2019 26 year old Jimmy David Griffith is a spirit led, global-minded, multi-faceted Christian laborer. With a vision to impact the world, he ministers the gospel of Christ all over the United States, with his wife and four children. As founder and president of Locked in the Liberty of Christ School of Ministry, he trains, educates, and empowers many in understanding the ways of God. He instructs on how to maximize the fivefold ministry, how to operate in the prophetic gifts, unlocking the secrets of evangelism, and taking spiritual authority through the Bible, Prayer, and Fasting. As a United States Air Force Officer, he serves his country as a Navigator. Always with an intention of spreading the gospel, he shares the message of Jesus Christ with all who will hear. A graduate of Southern Illinois University, he uses his Human Resources experience to aid churches in building ministry training programs that will maximize their spiritual potential. As a Christian Author, his first internationally released book, titled, The Identity of Jesus Christ was published in 2007. Ephesians 4:8 states "He gave gifts unto men." Liberating the Eagle Within is a God anointed book written by a man that has been gifted by Jesus Christ! If there is a seed of hope and a desire in your Christian walk to do something for the Kingdom of God, this God inspired book, will water the seed or seeds and give you clear directions on what your purpose is as a child of the Most High God. Read it and be touched, challenged, inspired and anointed as you began to fulfill the will of God in your life! James M. Jackson Pastor First United Pentecostal Church San Antonio, Texas

Nation of Victims Jul 25 2022 The New York Times bestselling author of Woke Inc. makes the case that the essence of true American identity is to pursue excellence unapologetically and reject victimhood culture. Hardship is now equated with victimhood. Outward displays of vulnerability in defeat are celebrated over winning unabashedly. The pursuit of excellence and exceptionalism are at the heart of American identity, and the disappearance of these ideals in our country leaves a deep moral and cultural vacuum in its wake. But the solution isn't to simply complain about it. It's to revive a new cultural movement in America that puts excellence first again. Leaders have called Ramaswamy "the most compelling conservative voice in the country" and "one of the towering intellectuals in America," and this book reveals why: he spares neither left nor right in this scathing indictment of the victimhood culture at the heart of America's national decline. Following the success of his instant bestseller Woke Inc., Ramaswamy explains in his new book that we're a nation of victims now. It's one of the few things we still have left in common-across black victims, white victims, liberal victims, and conservative victims. Victims of each other, and ultimately, of ourselves. This fearless, provocative book is for readers who dare to look in the mirror and question their most sacred assumptions about who we are and how we got here. Intricately tracing history from the fall of Rome to the rise of America, weaving Western philosophy with Eastern theology in ways that moved Jefferson and Adams centuries ago, this book describes the rise and the fall of the American experiment itself-and hopefully its reincarnation.

In-between Fact and Fiction. Representing the Traumatization of Child Soldiers in Uzodinma Iweala's "Beasts of No Nation" and Emmanuel "Jai's Warchild" Aug 26 2022 Examination Thesis from the year 2017 in the subject English - Literature, Works, grade: 1,0, University of Constance (Anglistik/Amerikanistik), language: English,

abstract: Although the use of children in warfare is not a recent issue, child soldiering has received increasing attention throughout the past two decades. This trend led to a rapid increase of literary works that deal with the topic of child soldiers, both fictional and autobiographical. The topic of child soldiers often goes hand in hand with the topic of trauma and traumatization. Repeated exposure to overwhelming danger and life-threatening experiences can leave children with severe mental ill-health such as Post Traumatic Stress Disorder and personality changes. Literary works draw attention to the relationship between child soldiers and trauma as well as to the difficult relationship between trauma and representability in this context. This analysis attempts to contribute to the literary research of how trauma is represented in child soldier literature and to increase awareness of this topic on an academic level. As this analysis is meant to make a small contribution to the literary research on child soldier literature, it merely focuses on two narrations: Uzodinma Iweala's *Beasts of No Nation* (2006) and Emmanuel Jal's *Warchild* (2009). These two books were chosen based on the great differences of both the narrations and the authors' background. *Beasts of No Nation* (BoNN) tells a fictional story, whereas *Warchild* is an autobiography. Uzodinma Iweala is an African American writer with Nigerian roots and BoNN can be seen as a postmodern novel as it uses various postmodern and experimental narrative techniques. Emmanuel Jal (*Jal*), in contrast, was born and raised in Sudan and fought as a child soldier. *Warchild* is an autobiography about his life as a child soldier, before and afterwards. It mostly uses traditional narrative forms to recount Jal's experiences. Based on these differences, the two books c

*Moses, Citizen And Me* May 23 2022 When Julia flies in to war-scarred Sierra Leone from London, she is apprehensive about seeing her Uncle Moses for the first time in twenty years. But nothing could have prepared her for her encounter with her eight-year-old cousin, Citizen, a former child soldier, and for the shocking truth of what he has done. Driven by a desire to understand Citizen, Julia takes the disturbed child into the 'bush'. There they meet other child soldiers, and a story-teller, Bemba G., who provides a safe haven for them all and strives to return them to childhood through play, love, story-telling and performance. As Julia gradually rediscovers Africa, the different generations of her family rediscover their bonds. And then Bemba G. directs the child soldiers in a version of Shakespeare's *Julius Caesar*, with powerful effect.

*Beasts of No Nation* Oct 28 2022 Agu is just a boy when war arrives at his village. His mother and sister are rescued by the UN, while he and his father remain to fight the rebels. 'Run!' shouts his father when the rebels arrive. And Agu does run. Straight into the rebels' path. In a vivid, sparkling voice, Agu tells the story of what happens to him next. His story is shocking and painful, and completely unforgettable. *Beasts of No Nation* gives us an extraordinary portrait of the chaos and violence of war. It is a gripping and remarkable debut.

*No Nation for Women* Jun 24 2022 *No Nation for Women* takes a hard, close look at what makes India unsafe for its women – from custodial rapes and honour killings to rapes of minors and trafficking – the author uncovers many unpalatable truths behind what we are familiar with as newspaper headlines only... Numbers convey, in part, why India is referred to as one of the world's rape capitals – one woman is raped every 15 minutes; and, in 50 years, there has been a staggering rise of 873 per cent in sexual crimes against girls. And beyond the numbers and statistics, there are stories, often unreported – of women in Damoh, Madhya Pradesh, who are routinely raped if they spurn the advances of men; of girls from de-notified tribes in central India who have no recourse to justice if sexually violated; of victimized lower-caste girls in small-town Baduan, Uttar Pradesh; of frequent dislocation faced by survivor families in West Bengal; of political wrath turning into rape in Tripura. Priyanka Dubey travels through large swathes of India, over a period of six years, to uncover the accounts of disenfranchised women who are caught in the grip of patriarchy and violence. She asks if, after the globally reported December 2012 gang-rape of 'Nirbhaya' in New Delhi, India's gender narrative has shifted – and, if it hasn't, what needs to be done to make this a nation worthy of its women.
