Ember of Night Mar 29 2020 “What to read after A Court of Thorns and Roses! Full of twists you’ll never see coming!” –UppercaseYA I’ve never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn’t invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than his silence is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back—causing them to vanish into a cloud of black dust—I know Draven is more than he seems. Now I know the truth. There’s a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don’t fall into either category. And I’m realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There’s so much more to me and my past that I don’t know—let alone what I am truly capable of. So when all signs point to me having the ability to unleash Hell on earth? I’ll have to decide if I want to do the world a solid and save it...or give it one hell of a makeover. The Ember of Night series is best enjoyed in order. Reading Order: Book #1 Ember of Night Book #2 Shadow of Light Book #3 Spark of Ash

James Rollins, New York Times bestseller of The Starless Crown _____ #1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of shadowy thieves and secret societies. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie. Now, she's trying to distance herself from past mistakes, but going straight isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that her shadowless and possibly soulless boyfriend has been keeping secrets from her. When a terrible figure from her past returns, Charlie descends back into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgängers, mercurial billionaires, gloamists, and the people she loves best in the world - all trying to steal a secret that will allow them control of the shadow world and more. Marked May 23 2022 Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

Revealed Apr 29 2020 A penultimate installment in the best-selling series finds a vengeful and drastically altered Neferet threatening the human population of Tulsa as well as Zoey and her friends, who are blamed for the ensuing chaos and challenged to prevent a supernatural war.

Burned Mar 09 2021 When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). Hidden Apr 10 2021 I'd known it before we saw the fire trucks and the smoke. I'd known all hell had broken loose at the House of Night the moment it had been proven beyond all doubt that Neferet was on the side of Darkness. Only now I had a terrible feeling that outing Neferet would serve more to free her than to force her to pay the consequences for her lies and betrayals. At last, Zoey has what she wanted: the truth is out. Neferet's evil has been exposed, and the High Council is no longer on her side - but she's far from done wreaking havoc in the vampyre world. With the seeds of distrust sown and Darkness breeding chaos at the House of Night, everyone must band together - but that's proving to be more difficult than ever before. The twins are barely speaking and the House of Night's former enemy, Kalona, has now become their warrior, pushing their trust to the limits. To top it all off, Zoey is pretty darn sure she might be losing her mind - she saw something when she looked at Neferet's minion, Aurox, through the Seer Stone that she can hardly explain to herself, let alone her friends. Zoey knows that following her instincts might be just what they need to defeat evil... but if she's wrong, it could cause the destruction of those closest to her. With the tension at a breaking point and friendships on the line, can the nerd herd come together to stop the spread of Darkness before it's too late?
