[Things To Know About Self-Love](#) Apr 24 2022 A 30 Day Affirmation Guide to help you stand strong against doubt, life pressures, and facilitate you in loving yourself more. You are amazing. Start believing the truth of your greatness today. What Are Affirmations? Affirmations are statements used to change our subconscious mind. They are a tool to assist in removing limiting belief systems. Think about the things you say to and about yourself. Those things you say you ultimately believe as your truths. By using positive self-love affirmations you will start to reprogram your mind into knowing how awesome you truly are. How to Use Affirmations: Say the positive affirmation to yourself (or out loud) all throughout the day. Say them until you believe them. Feel what you are saying. Keep saying them until you know they are true. Affirmations can also be used in place of negative thoughts to help release negative thought patterns. Every time you say something negative about yourself, counter and replace it with a positive one. For example, if you think "My hair looks bad," replace the affirmation with "I am beautiful". About Our Guide: Our guide is designed to help you on your journey to self-love. Self-love is so important. Everything starts with loving yourself. Every day you will receive a new affirmation for 30 days. For that day alone repeat the affirmation over and over again with the goal of feeling it as true. Though optional, you may keep using that same affirmation for several days until you thoroughly believe it. If any affirmations really stand out to you, use it as long as you may need.

The Spanish Love Deception Sep 05 2020 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC and all the way to Spain for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

Thirty Day Boyfriend Aug 29 2022 I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse. Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. Day One...
